## WHAT OUR STAFF SAY

I will always love this school, it's been a huge part on mine and my family's life.

Working collaboratively across the Trust and the other two schools has been brilliant during this (Covid) time.

I've felt really welcomed into the school as a new member of staff.

The Trust inset 'was positive and really engaging. A brilliant start for the school year'

Happy times spent there as a mum and a member of staff.
