MARCH 2022

WELCOME

Recently we have been thinking about what it means to be part of a Multi Academy Trust and this has given me cause to reflect on our core beliefs which are that 'happy children learn, happy staff thrive and happy parents build a community'. These are not just words we say but are beliefs that we try to ensure permeate everything we do across our family of three schools. As ever there has been a huge amount happening over the last few weeks, you may have seen our beliefs being used as hashtags on our twitter accounts. If you do have things to share that highlight our Trust beliefs, please use the following to alert us so that we can share things more widely.

A SPECIAL MESSAGE FOR CHERRY TREE

The Children's Parliament at Cherry Tree Primary School were chuffed with their special message last week from Dean Russell MP and Secretary of State for Education Nadhim Zahawi.

"It meant the world to our little leaders" said Cheska Tyler, Headteacher.

The Children also had an in person visit from Dean Russell MP.

FUNDING FOR LAURANCE HAINES

Laurance Haines School were grateful to receive a generous grant from Councillor Nigel Bell. This will be used to finance sessions about internet safety and how to deal with cyber bullying for Upper Key Stage Two children. Thank you!

EARLY CAREER TEACHERS (ECT) OPEN EVENING

On Thursday 24th March we held an open evening at Cherry Tree Primary School to promote opportunities within our Trust for Early Career Teachers. We had fantastic attendance and look forward to appointing new Early Career Teachers to start with us in September.

Applications for Early Career Teachers remain open until 31st March. Applicants can apply via [MyNewTerm: Early Career Teacher Vacancy](#).

RED NOSE DAY 2022

On Friday 18th March, all three schools celebrated Red Nose Day, raising money for Comic Relief.

WHY DO WE CELEBRATE WORLD BOOK DAY?

World Book Day changes lives through a love of books and shared reading. It promotes reading for pleasure, offering every child and young person the opportunity to have a book of their own.

World Book Day was created by UNESCO on 23rd April 1995 as a worldwide celebration of books and reading. It is marked in over 100 countries around the globe. The first World Book Day in the UK and Ireland took place in 1997 to encourage young people to discover the pleasure of reading.

As World Book Day founder, Baroness Gail Reubuck, recalls "We wanted to do something to reposition reading and our message is the same today as it was then – that reading is fun, relevant, accessible, exciting, and has the power to transform lives."

Spending just 10 minutes a day reading and sharing stories with children can make a crucial difference to their future success and it's fun for all involved. That's why World Book Day continues to encourage children and young people to read for pleasure through its work with authors, illustrators, publishers, bookshops and libraries.

You can see how much fun and joy World Book Day brought to children across the Trust on the next page.

CELEBRATING OUR AMAZING VOLUNTEERS

We are so grateful for any help we get from volunteers that we thought we would highlight some of the amazing work our volunteers do. If you have the time and would like to volunteer at one of our schools please contact the school office.

At Beechfield we are very lucky to have Ruth - one of our wonderful parents - who comes into school regularly. Ruth has transformed the grounds at Beechfield single-handedly over the past three years.

She has built planters, bug hotels, composters and put plants in the beds around the school. She is currently transforming the garden of our Beechfield Bungalow. Ruth has made an amazing giant bug hotel for the children to access. She has also planted a variety of plants and shrubs for the children to learn about and enjoy. Ruth has even recycled two bath tubs and filled them full of plants and flowers.

The children love talking to her about what she is doing and she is fostering a love of gardening, the environment and the outdoors.

DEVICE DONATIONS

Do you have any unused devices at home? If so our schools and children would be very grateful for them. If you have any devices that you are happy to donate, please hand these, along with the charger, in to your school office.
