Objective, Scope and Principles

This Code of Conduct is designed to give clear guidance on the standards of behaviour all Trust employees are expected to observe. Trust employees are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils within the Trust. As a member of a school community, each employee has an individual responsibility to maintain their reputation and the reputation of the Trust and its schools, whether inside or outside working hours.

This Code of Conduct applies to all employees of the Trust. This Code of Conduct does not form part of any employees' contract of employment.

In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

This Code helps all staff to understand what behaviour is and is not acceptable, regard should also be given to the disciplinary rules set out in the Disciplinary Policy which may be found on the staff drive. Staff should be aware that a failure to comply with the Code of Conduct could result in disciplinary action including but not limited to dismissal.

Setting an Example

All staff who work in schools set examples of behaviour and conduct which can be copied by pupils.

Staff must therefore for example avoid using inappropriate or offensive language at all times.

All staff must, therefore, demonstrate high standards of conduct in order to encourage our pupils to do the same.

All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

All staff are expected to familiarise themselves and comply with all Trust policies and procedures.

Safeguarding Pupils

Staff have a duty to safeguard Pupils from physical abuse, sexual abuse, emotional abuse and neglect.

The duty to safeguard pupils includes the duty to report concerns about a pupil/student or colleague to the school's Designated Senior Person (DSL) for Child Protection.

The Trust's DSL is James Roach. He is supported by DSLs within the schools, Gillian Jackson at Beechfield School, Cheska Tyler at Cherry Tree School at Seb Gray at Laurance Haines School. If the concern is regarding the Trust CEO or a Headteacher, staff will report this to the Chair of the Trust Board, chair@inclusivemat.co.uk.

Staff have access to the Trust's Child Protection Policy and Whistleblowing Procedure on the staff shared drive and staff must be familiar with these documents.

Staff should treat children with respect and dignity and must not seriously demean or undermine pupils, their parents or carers, or colleagues.

Staff should not demonstrate behaviours that may be perceived as sarcasm, making jokes at the expense of Pupils, embarrassing or humiliating pupils, discriminating against or favouring pupils.

Staff must take reasonable care of pupils under their supervision with the aim of ensuring their safety and welfare.

Relationships with Pupils

Staff must declare any relationships that they may have with pupils outside of the Trust; this may include mutual membership of social groups, tutoring, or family connections. Staff should not assume that the Trust are aware of any such connections. A declaration form may be found in Appendix 2 of this document.

Relationships with pupils must be professional at all times, physical relationships with pupils are not permitted and may lead to a criminal conviction.

Contact with pupils must be via Trust-authorized mechanisms and solely for educational purposes. At no time should personal telephone numbers, text, email addresses or communication routes via personal accounts on social media platforms be used to communicate with pupils.

If contacted by a pupil by an inappropriate route, staff should report the contact to the Headteacher immediately.

Behaviour giving rise to concern should also be reported which includes pupils seeking affection, being sexually provocative or exhibiting overly familiar behaviour.

Existing or new personal relationships at work between colleagues should be declared to the Line Manager where there is a potential for this to impact upon the work of either. This may be due to a risk of allegations of bias or conflict of interest for example. The Line Manager will treat declarations in confidence.

Pupil Development

Staff must comply with Trust policies and procedures that support the well-being and development of pupils.

Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.

Staff must follow reasonable instructions that support the development of pupils.

Honestly and Integrity

Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of Trust property and facilities.

All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing Policy. For further information see the Anti Fraud and Corruption Policy.

Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of "one off" token gifts from pupils or parents. Personal gifts from individual members of staff to Pupils are inappropriate and could be misinterpreted and may lead to disciplinary action. A record will be kept of all gifts received. Please refer to the Gifts and Hospitality Policy for further details.

Staff must not act on behalf of the Trust unless they have the authority to do so.

Professional references from the Trust will be provided by the relevant person with delegated authority. References given by other members of staff must be clear that they are provided in a personal capacity.

Conduct Outside of Work

Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the Trust or its schools or the employee's own reputation or the reputation of other members of the school community.

In accordance with Keeping Children Safe in Education 2021, any conduct or behaviour that indicates an employee may not be suitable to work with children including such behaviour outside of the workplace which may or may not involve children is likely to be regarded as unacceptable.

In addition, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable where it brings into question an employee's suitability or ability to do their role/work in an educational setting.

Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance in the Trust. Permission must be sought in advance.

- Staff must disclose any work outside the Trust or outside business interests where there is a potential conflict of interests with their employment at the Trust.
- If any allegation of wrongdoing occurs in a staff member's work outside the Trust (whether or not they deny this) which may have a bearing on their employment they must disclose this immediately to the Headteacher or their Line Manager.

Forming inappropriate relationships or friendships with children or young people who are pupils under the age of 18 at another school/college will be viewed as inappropriate and impact upon the Trust's ability to trust the member of staff to maintain professional boundaries with pupils at the Trust.

A work related social event is considered to be an extension of the workplace and as such the standards of behaviour expected at these events is in line with this policy.

E-Safety and Internet Use

Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Regard should be given to the Trusts' Online Safety Policy at all times both inside and outside of work.

Staff must not engage in inappropriate use of social network sites which may bring themselves, the Trust, the school, school community or employer into disrepute. Staff should ensure that they adopt suitably high security settings on any personal profiles they may have. Please see the Social Media Policy for further details.

Staff should exercise caution in their use of all social media or any other web based presence that they may have, including written content, videos or photographs, and views expressed either directly or by 'liking' certain pages or posts established by others. This may also include the use of dating websites where staff could encounter pupils either with their own profile or acting covertly.

Contact with pupils should only be made via the use of school email accounts or telephone equipment when appropriate.

Mobile phones may be used to take photographs/stills or video footage of pupils, for purposes authorised by the Trust. All images taken must be downloaded and erased from the phone before leaving the premises. Any such use should always be transparent and only occur where parental consent has been given. The resultant files from such recording or taking of photographs must be stored in accordance with the Trust's procedures.

Confidentiality

Where staff have access to confidential information about Pupils or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil.

All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil is bullied by another pupil (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate Trust procedure. It must not be discussed outside the Trust, including with the pupil's parent or carer, nor with colleagues in the Trust except with a senior member of staff with the appropriate authority to deal with the matter.

However, staff have an obligation to share with their manager or the school's Designated Senior Person any information which gives rise to concern about the safety or welfare of a pupil. Staff must **never** promise a pupil that they will not act on information that they are told by the pupil.

Staff are not allowed to make any comment to the media about the Trust, its performance, governance, pupils or parents without written approval. Any media queries should be directed to the CEO/Headteacher or designated person.

Dress and Appearance

All staff must dress in a manner that is appropriate to a professional role and promoting a professional image. Please refer to the Dress Code for further information.

Appendix 2

Relationships with pupils outside of work declaration

It is recognised that there may be circumstances whereby employees of the Trust are known to pupils outside of work. Examples include membership of sports clubs, family connections, or private tutoring.

Staff must declare any relationship outside of the Trust that they may have with pupils.

Employee Name	Pupil Name	Relationship

I can confirm that I am fully aware of the Code of Conduct relating to contact out of the Trust with pupils in line with this policy.

If I am tutoring a pupil outside of the Trust I am aware that the following must be adhered to:

- I do not, at any point, teach the child in question as part of my daily timetable - this is a stipulation of such tutoring.
- I emphasise to parents that this is done completely independently of the Trust.
- No monies come through the Trust at any point, informally (e.g. via the pupil) or formally
- No private tutoring is to take place on the Trust premises.

I confirm that if these circumstances change at any time I will complete a new form to ensure the Trust are aware of any relationships.
