

IN THE SPOTLIGHT

★ STAR STORY ★

This week the spotlight falls on Rebecca Player from Laurance Haines. Alongside all her school commitments, she and her cousin lead the Watford and Bushey Covid 19 Mutual Aid Group with well over a 1000 members.

Rebecca is a huge support to the Trust pastoral teams; she organises emergency food supplies, mobilises volunteers to deliver Salvation Army essential boxes and collects surplus food supplies from supermarkets. Her latest venture with her cousin is procuring, shopping and cooking hot meals for the community and organising delivery. Rebecca is a true shining star with a big heart in this crisis; she is tenacious, entrepreneurial, organised, flexible and above all does everything with a smile! We are proud you and all you do, thank you!

WELCOME

Yesterday was thank a teacher day. I know many of you have contacted one or more teachers to say thank you and that is hugely appreciated. It is amazing how much a simple thank you can lift a person and put a smile on their face. To add to the sentiment, I wanted to say thank you to every single teacher and adult who work in schools. You are amazing. You are educators, community leaders, carers, champions and most of all inspirations. Across the Inclusive Multi Academy Trust we are lucky to have some of the very best adults in education. Thank you!

THE JOY OF MOVING – HOME FESTIVAL

Watford FC CSE Trust are working with the English Football League and Ferrero to deliver a FREE Joy of Moving Home Festival this week. The creators of the programme have opened it up to all schools to help as many children as they can in this current situation.

The home festival is an afternoon of activities for the children to complete all at home. The aim is that all Key Stage 2 children complete it on the same day in your school like a festival so that it shows togetherness - a bit like a Sports Day. Children at Beechfield School took part in this on Wednesday 20 May. To find out more information and how to take part in your own home sports day please visit [The Joy of Moving Resource Hub](#).

TWEET OF THE WEEK

This tweet was a description from Dayana at BFS as to why she thinks 'You can't make art without love'. "You need to have a passion for the painting and love it whatever you create even if it ends up 'bad' " wrote Dayana.

Please keep sending all of your brilliant work to your teachers!
