

IN THE SPOTLIGHT

BACK TO SCHOOL

This week we welcomed our Y6 pupils back in to school to join our key worker children. Although school may look and feel a bit different, here is what some of our pupils had to say...

Thea Y6 - "School has changed a lot but it's been amazing to all my friends again"

BFS Y6 - "Coming back to school means things are getting better"

Enea and Harish Y5 - "It's been a legendary week because we've got to experience new/different things at school"

Kuba Y6 - "On the first day back I felt very nervous because I didn't know what it was going to be like. Now I feel very relaxed - things are just a bit different."

WELCOME

You will have seen some members of our trust community being rightfully celebrated on twitter and Facebook over the last few weeks, as part of Watford Council's #WatfordHeroes. Watford Council has set up a new fund to allow people to show their support for the local charities and organisations that are stepping up to provide the help needed for the most at risk and vulnerable:

www.watfordcovidappeal.org. If you are interested in supporting this, please visit the website to find details of the appeal, as well as information on the charity raffle and the weekly quiz run by The Elected Mayor of Watford, Peter Taylor and Watford FC legend, Luther Blissett.

VOLUNTEERS WEEK

Last week was National Volunteers Week, a chance to recognise the amazing work carried out by volunteers far and wide. Here is a tweet from the Watford Salvation Army recognising the efforts of Brian and Vic at LHS who have worked tirelessly to distribute almost 200 Basic Boxes to local families. Volunteers have played a vital role during the coronavirus pandemic and their selfless efforts have made a huge impact on local communities.

SMILE STONES

Beechfield School are running a new project for staff, pupils and parents to create smile stones. Stones should be decorated with designs which aim to make people smile.

Contributors can use their own stone from home or collect a stone from a box which will be located in the Beechfield School car park. Decorated stones should be placed in the box by Friday 17 July. Once all of the stones have been collected they will be used to create a bright and cheerful display on the school grounds. What a lovely project Beechfield.
